

OUR SERVICES, WORKSHOPS & COURSES

Master Your Own Make-up

The perfect 2 hour opportunity to Master Your Own Make Up and create your perfect statement look. Work closely with one of our highly skilled artists to create the perfect daytime or evening glam. You will leave with a certificate of achievement, a full SM academy workbook, plus a full step by step system on how you created the look & a full product breakdown of all products, shades, brands and tones used to suit you.

All make up lessons are 1-1 and receive a full product breakdown and product list which suit your skin colouring, hair colour, eye colour and skin texture. Lessons also received some make up product essentials, plus models & kit are provided for you.
